

Dear Friends,

The Christmas season is rapidly coming upon us again! Department and grocery stores here in Peru have already begun featuring their Christmas decorations and the sales have begun.

Likewise, our staff and volunteers of SU Peru are preparing for the birth of Jesus! As we make plans for Christmas celebrations, I want to ask your help in sending our 280 Girasoles boys a loud and clear message that tells them that despite the way most people feel and the harsh words that have been used, despite the abuse they have endured for years, **we love them**.

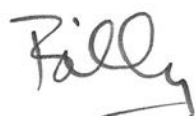

You have heard the stories of our boys. Abandoned by their parents in markets, left for others to take care of, and quickly wrapped into a dark life. Many of our Girasoles boys simply cannot comprehend the meaning of being loved.

Celebration and spending time with loved ones is a huge deal wherever we are from. Whether attending Christmas Eve services as a family, joining together around the table for a delicious meal, or hosting a large party, we share the common desire for celebrating Jesus' birth and sharing it with our family and friends.

I ask you to prayerfully consider assisting us in celebrating the Christmas holiday in each of our 7 homes around the country. Your donation will be used for purchasing toys and gifts for the boys, as well as a nice Christmas dinner. If you decide to help us make this happen, please refer to the attached information.

¡Feliz Navidad!

In His service,

Billy Clark

Director of International Relations
